

CSCD350

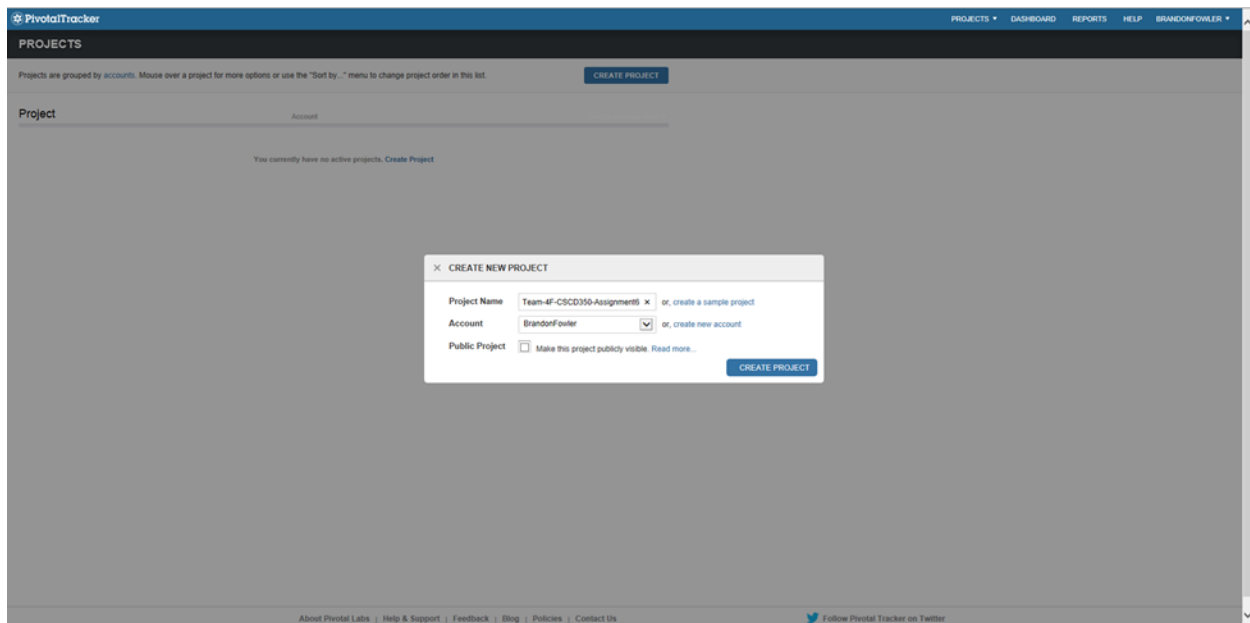

ASSIGNMENT 6

Team: Fast Fire File Flyers(4F)

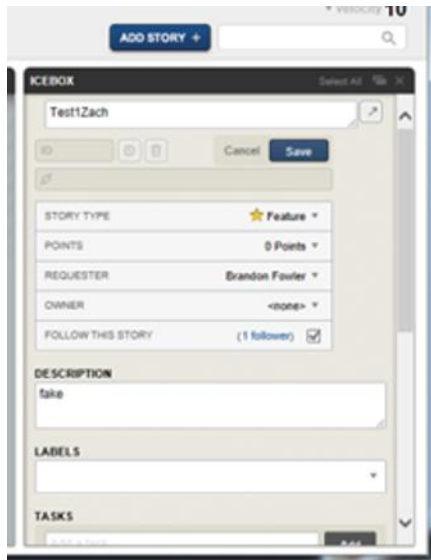

Lead: Brandon Fowler

Members: Zach Lontz, Brandon Fowler, Daniil Borisov, James White

Create a new team project with team lead's account, and add team members to the project:

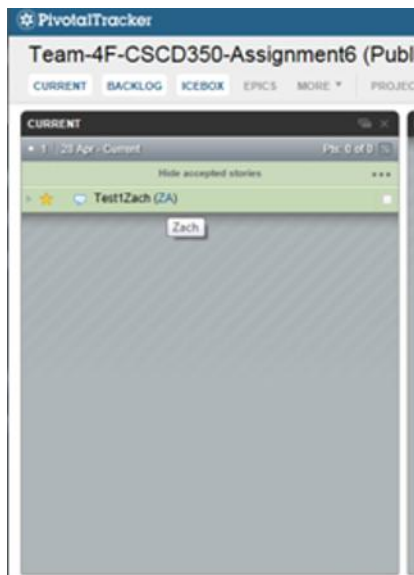

Create a test story for Zach, then add it to the back log:

The screenshot shows the ICEBOX interface for creating a new story. At the top, there is an 'ADD STORY +' button and a search bar. The main form is titled 'ICEBOX' and contains the following fields:

- Test1Zach**: The story title.
- STORY TYPE**: A dropdown menu set to 'Feature'.
- POINTS**: A dropdown menu set to '0 Points'.
- REQUESTER**: A dropdown menu set to 'Brandon Fowler'.
- OWNER**: A dropdown menu set to '<none>'.
- FOLLOW THIS STORY**: A checkbox labeled '(1 follower)' which is checked.
- DESCRIPTION**: A text area containing the word 'fake'.
- LABELS**: A dropdown menu.
- TASKS**: A section for adding tasks.

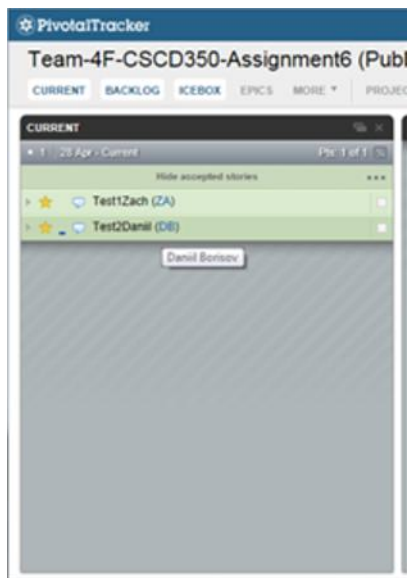

Zach finishes and delivers his test story, and it is accepted:

Create a test story for Daniil, then add it to the back log:

The screenshot shows the 'ICEBOX' form in PivotalTracker. At the top, there's a 'velocity 10' indicator and an 'ADD STORY +' button. The form title is 'Test2Daniil'. Below the title, there are fields for 'ID' (containing '2'), 'Cancel', and 'Save' buttons. The 'STORY TYPE' is set to 'Feature' with a star icon. 'POINTS' is set to '1 Point'. 'REQUESTER' is 'Brandon Fowler' and 'OWNER' is '<none>'. The 'FOLLOW THIS STORY' checkbox is checked, showing '(1 follower)'. The 'DESCRIPTION' field contains the text 'fake'. There are sections for 'LABELS' and 'TASKS' at the bottom.

Daniil finishes and delivers his test story, and it is accepted:

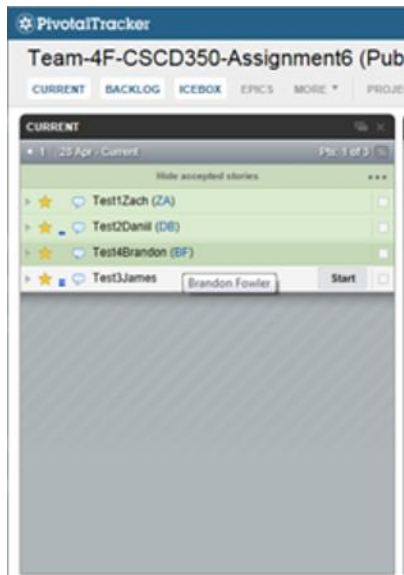

Create a test story for James, then add it to the back log:

The screenshot shows the ICEBOX application interface for creating a story. The title bar reads 'ICEBOX' and 'Select All'. The main form has a title 'Test3James' and a 'Save' button. Below the title, there are several fields: 'STORY TYPE' set to 'Feature', 'POINTS' set to '2 Points', 'REQUESTER' set to 'Brandon Fowler', 'OWNER' set to '<none>', and 'FOLLOW THIS STORY' set to '(1 follower)'. The 'DESCRIPTION' field contains the text 'fake'. The 'LABELS' field is empty. The 'TASKS' field is also empty. At the bottom, there is a 'Back to Backlog' button.

Create a test story for Brandon, then add it to the back log:

The screenshot shows the ICEBOX application interface for creating a story. The title bar reads 'ICEBOX' and 'Select All'. The main form has a title 'Test4Brandon' and a 'Save' button. Below the title, there are several fields: 'STORY TYPE' set to 'Feature', 'POINTS' set to '0 Points', 'REQUESTER' set to 'Brandon Fowler', 'OWNER' set to '<none>', and 'FOLLOW THIS STORY' set to '(1 follower)'. The 'DESCRIPTION' field contains the text 'fake'. The 'LABELS' field is empty. The 'TASKS' field is also empty. At the bottom, there is a 'Back to Backlog' button.

Brandon finishes and delivers his test story, and it is accepted:

James finishes and delivers his test story, and it is accepted:
